Frame Building Containing Large Committee Named to Go Before Quantity of Lubricating Oil Is Completely Destroyed—Explosions Add to Difficulty of Firemen.

Five thousand people crowded to the edge of the hill at Jefferson Park last night to watch the oil storage house shops disappear in the most speciacu-lar fire that the city has known in a ing a large quantity of lubricating oil which sent up columns of flame that flluminated the whole eastern half of

the city.
The building and contents were The building and contents were a total loss. At the Chesapeake and Ohio offices last night it was stated that no estimate of the quantity of oil destroyed could be made until the books were checked up to-day. Home Trade vs. Foreign Trade

If our foreign trade balance for the year should reach the enormous sum of one and one-half billions it would mean less than five cents per day for each of our population. It's our HOME TRADE which counts most. Make the most of our own business; BUY DO-MESTIC GOODS; nurse our home trade. It pays best
